Progress of C3 Robina Rise + Build

God has instructed us to buy land, build buildings and establish a geographical presence of God in C3 Robina. To do this we are partnering together to bust our \$1.1 million dollar mortgage as soon as possible. Our first target is 90 partners committed to giving \$40 per week and one off amounts. The graph over shows us how we are doing. The first 90 partners will blow this mortgage out of the water in 5 years and the next 90 partners will help build our next building. Join with us. Become a mortgage buster today.

How to decide on what I will commit for 2011 ?

Suggested steps for determining God's will for your pledge/commitment:

1. Pray. Pray alone and if married pray with your spouse. Ask God what you should give.
2. Give yourself time. Don't rush into a decision. Spend time listening to God.
3. Plan and discuss with family the ways to give.
4. Complete a commitment card and hand in on the required day.
5. Keep the amount you have pledged in plain sight and pray on it each day, ask God for different ways of giving, pray to be inventive.

I/We committed to give \$ _____ as recorded on this card.

An update of the progress will be visible to you alone on your CCB page. See office for access.
